

Vitesse Logistics: Where Vision Meets Velocity

EXPRESS SERVICES

For those instances where a shipment needs a little more care and attention and must arrive for a specific time.

With our express services we will keep you updated on every step of the shipments journey, giving you the peace of mind that your important delivery is on route and will arrive on time - with receipt of a delivery notification upon arrival.

Time critical shipments can arise in any business, so it is important you have a trusted partner to turn to when these situations arise. Our time critical operation is a cost effective and trusted solution to these issues.

We can load within a couple of hours across the UK and Europe – With our reliable and efficient network we cover all European destinations*

We have a selection of vehicle types at our disposal, so let our team know what you need, when you need it to happen and they will pull together the right solution to meet your budget and timescale.

** Dependent on location and collection time.*
