

Vitesse Logistics: Where Vision Meets Velocity

Sea Freight

Vitesse Logistics (SW) Ltd is a dynamic provider of logistics and freight forwarding solutions, delivering tailored and customer centric freight management solutions within the UK and worldwide.

Our dedicated Sea Freight department offer a single point of contact to meet your Global shipping needs. We can offer support and advice on all aspects of the Sea Freight process.

We can also offer step by step guidance on associated customs clearance formalities worldwide.

In addition to our FCL (Full Container Load) services, we also offer tailored LCL (Less than Container Load) solutions that encompasses consolidation, shipping, handling and distribution.
